

# Off to the beach?

It's that time of year, when many of us may well be heading off for Summer holidays. Even those of us who can't get away may well take a day trip to the seaside - one of the great advantages of living in the UK is that most of us are not THAT far from the coast. And why not? It's good to take advantage of open space and fresh air. But turn up on a sunny day and you may well struggle to find a parking space - and when you do, chances are you'll pay well over a fiver for the privilege. Throw in the odd ice cream and a coffee, and the cost mounts up.

But why not? And all we are asking is that you perhaps might be willing to give the same priority to investing in mission. A regular donation to Home Mission of only £5 a month can make a real difference to the mission of local churches in NWBA. If you can spare a fiver a month can we count you in? Please visit our website to find out more.
